The process of selling my house to Glenn Williams went so smoothly. It was definitely a ~~consent~~ because I'm now able to move across the city to be closer to my family and friends.

I wasn't sure if I would be able to get out of my house and with Glenn's help was able to close within a few weeks. It's such a relief to be able to move forward. I would definitely recommend working with him as he was extremely helpful and got me through the process easily. I'm thankful I met him and was able to work with him.
