Print Release

The bearer of this Print Release (“**Licensee**”) has purchased digital photographs from a photography session with **Photographer**. **Photographer** grants **Licensee** (whether or not **Licensee** is the subject of the photographs), a limited, non-exclusive personal license to digitally reproduce, store, print, and share the photographs with friends and family for reasonable personal use only. This permission applies worldwide and in perpetuity. **Licensee** agrees that he/she may not claim the digital photographs or prints as his or her own, use them for commercial or editorial purposes, sell them for profit, submit them for publication, or enter them into competition, and may not edit, filter, retouch, or create derivative works using the digital photographs or prints. **Photographer** retains the copyright to all photographs per Title 17 of the U.S. Code and all applicable federal Copyright law. **Photographer** may revoke this license if any **Licensee** violates the terms of this Print Release.
