

RESTRICTIVE COVENANTS

KNOW ALL MEN BY THESE PRESENTS:

The undersigned, RUMBAUGH, INC., a New Mexico Corporation, the sole owner of the S $\frac{1}{2}$ of the NE $\frac{1}{4}$ and the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 28, Township 10 South, Range 13 East, N.M.P.M., the same being the real property now duly platted as "SUN VALLEY SUBDIVISION", Lincoln County, New Mexico, as shown by plat thereof filed in the office of the County Clerk and Ex-officio Recorder of Lincoln County, New Mexico, April 4, 1963, hereby make the following declarations as to limitations, restrictions and uses to which the lots and/or tracts constituting said subdivision may be put, hereby specifying that said declarations shall constitute covenants to run with all of the land, as provided by law, and shall be binding on all parties and all persons claiming under them, and for the benefit of and limitations upon all future owners in said subdivision, this declaration of restrictions being designed for the purpose of keeping said subdivision desirable, uniform and suitable in architectural design and use as herein specified, whether or not the same are embodied in the conveyance or other instrument effecting title thereto:

A

All lots in the said SUN VALLEY SUBDIVISION, according to the survey and plat thereof, are hereby designated, "residential area". The said residential area shall be used for residential purposes only, and no business, manufacturing, commercial enterprises, public or commercial amusement, shall be conducted, operated or maintained thereon.

B

No structure shall be erected, altered, placed or permitted to remain on any residential building plot, other than one detached single family dwelling, not to exceed two stories in height, and a private garage and garden structures such as are ordinarily used in connection with a single family residence.

C

No building shall be located on any lot nearer than fifty (50) feet to the front lot line. Upon written application, the Architectural Control Committee may, due to particular lot configurations, permit construction to thirty (30) feet of the front lot line. No building shall be located on any lot nearer than fifteen (15) feet to any side street line nor nearer than fifteen (15) feet to any side lot line. No buildings shall be located on any lot nearer than fifteen (15) feet to the rear lot line. Provided, however, nothing herein contained shall be construed to prevent the use as one building site of two or more lots. For the purpose of this covenant, eaves, steps and open porches shall not be considered as part of the building, provided however, this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

D

Residential lots shall not be resubdivided.

E

No trailer, basement, tent, shack, garage, barn or other out-building shall at any time be used as a residence, temporary or permanent, nor shall any residence of a temporary character be erected or permitted to remain. Contractors may use a temporary building during the course of construction.

F

Minimum ground floor area, exclusive of porches and garages, shall not be less than six-hundred (600) square feet. Construction, once commenced, must be completed, as to the exterior, within one (1) year.

G

No old or second-hand buildings shall be moved on any lot in the subdivision, and no second-hand materials shall be used in the construction of any building thereon. No residence of any kind of what is commonly known as "boxed" or "sheet metal" construction shall be built in said tract unless the same shall be covered upon all its outside walls with stucco, brick, stone or other veneer material.

H

No building or fence shall be erected on any lot until plans and specifications and plot plan have been approved by the Architectural Control Committee of SUN VALLEY. In no case shall barbed wire or chicken wire be used as fencing material.

I

No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between three (3) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in cases of rounded corner lot lines, from the intersection of the street property lines extended.

J

The Architectural Control Committee's approval or disapproval, as required in these covenants, shall be in writing. In the event the Committee, or its designated representative, fails, within thirty (30) days after plans and specifications have been submitted to it, to approve or disapprove the same, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, written approval will not be required, and the related covenants shall be deemed to have been fully complied with.

K

No outdoor-type toilet shall be erected or maintained, and all toilets shall be located inside the principal building and shall be connected with proper septic tanks that conform with state and county health laws and regulations. Each property owner will supply his property with a garbage can of not less than twenty (20) gallons capacity, together with cover. Garbage will be disposed of in accordance with the regulations of the State of New Mexico Department of Health, or at the Village of Ruidoso community dump.

L

Butane tanks and water storage tanks must conform to state regulations and will be located so as not to detract from the appearance of the lot. No windmills or wind chargers will be erected on any lot.

M

No brush, trash or other material shall be burned, except in compliance with the fire regulations of the Lincoln National Forest.

N

Live trees having a diameter of eight (8) inches or more may not be removed without the written consent of the Architectural Control Committee.

O

No commercial activity shall be carried on, except for the sale of real property constituting the subdivision. No signs shall be displayed, except that occupants may post "for sale" or "name" signs.

P

No noxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

Q

No animals or poultry of any kind shall be bred, raised or kept on any lot. Two horses per lot, dogs, cats or other household pets may be kept, provided they are not used for any commercial purposes. Stables, corrals and pet shelters shall be located only to the rear of the principal dwelling. The said premises shall at all times be kept clean and sanitary by frequent and proper removal and disposal of manure and other refuse.

The subdivider, RUMBAUGH, INC., and every person hereafter having any right, title or interest in any lot in the said subdivision, shall have the right to prevent or stop violation of any of the said restrictions by injunction or other lawful procedure and to recover any damages resulting from such violation.

S

These covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until twenty (20) years from the date of the filing of these covenants, at which time, the covenants shall be automatically continued in force for successive periods of ten (10) years each unless discontinued or amended at the end of the first or any subsequent ten-year period by a vote of fifty-one (51) per cent or more of the property owners. Record owners of the lots shall be entitled to one vote for each lot as shown on the recorded plat. Any owner who desires to call an election for the purpose of suspending or amending all or any part of these protective covenants and restrictions after twenty (20) years from the date of filing thereof, in accordance with the foregoing provisions, shall request such election by written notification to the subdivider and all record owners of lots within the subdivision at least one year before the expiration of the first or any subsequent ten-year period.

T

Failure to enforce any restriction, condition, covenant or agreement herein contained shall in no event be deemed a waiver of the right to do so thereafter as to the same breach or as to one occurring prior or subsequent thereto. In the event any covenant or condition or restriction hereinabove contained, or any portion thereof, is invalid or void, such invalidity or voidness shall in no way effect any of the other covenants, conditions or restrictions which shall remain in full force and effect.

IN WITNESS WHEREOF, we have set our hands and seals this 4th day of April, 1963.

John E. Pulte, a Property Owner, Sun Valley Subdivision, Lincoln County, New Mexico being of lawful age, first duly sworn, on oath, disposes and states:

That on September 1, 1993, a typographical error was found in the legal description of the Subdivision in the Modification of Restrictive Covenants of Sun Valley. The Modification of Restrictive Covenants was filed with the County Clerk on July 14, 1983, and recorded in Book 86, Miscellaneous Records, Pages 932-959. The first paragraph reads: "The UNDERSIGNED, being the subdivider of the S½ of the NE¼ of the SE¼ of Section 28, Township 10 South, Range 13 East, N.M.P.M. the same being the real property now duly plated as "Sun Valley Subdivision", Lincoln County, New Mexico, as shown by plat thereof filed in the office of the County Clerk and Ex-officio Recorder of Lincoln County, New Mexico, April 4, 1983." The legal description should read "the S½ of the NE¼ and the NE¼ of the SE¼ of Section 28....."

That the typographical error of the legal description of Sun Valley Subdivision be corrected to properly describe the subdivision.

Further affiant sayeth not.
