**Autumn on the
Jersey Shore**
YOUR LOCAL GUIDE

About

Michele Irizarry

Autumn at the Jersey Shore is one of my favorite times of year. The beaches get quiet, the light turns golden, and every town from Long Branch to Red Bank leans into pumpkins, cider donuts, and cozy weekends.

From apple orchards and farmers markets to scenic hikes and cozy coffee shops, there are so many ways to enjoy the season across Monmouth, Ocean, and Middlesex Counties. I created this guide to help you experience the very best of fall along the Shore and if you ever want local insight about neighborhoods, restaurants, or real estate here, I'm always happy to help.
