## Your Submitted Press Release

Braselton, GA – August 9, 2025 – The North Georgia Home Group, under the leadership of Coe Cameron at Keller Williams Atlanta Partners Barrow-Jackson, is excited to announce its team expansion and recognition as the premier real estate group in Gwinnett, Walton, Barrow, and Hall Counties. Based at 3730 Village Way, Suite 160, Braselton, GA 30517, the team's innovative hybrid agent approach maximizes seller profits through a blend of traditional expertise and modern cash-offer solutions, setting a new standard in North Georgia's real estate market.

Coe Cameron, a trusted name in the region, leads a growing team of skilled agents, including Samantha Alicea, Daisey, Korey Anderson, and Chris Arthur. Operating under Keller Williams, the world's largest real estate franchise, the North Georgia Home Group has earned its reputation as the top realtor in the area by delivering unmatched service. Their client-focused philosophy, "Unmatched Service, Client Focused, Results Driven," drives their success in cities like Lawrenceville, Winder, and Gainesville.

The team's hybrid model offers sellers flexibility: traditional sales for maximum value or fast cash offers for quick closings, ideal for distressed properties like foreclosures or inherited homes. Using tools like KW Command®, the team provides virtual tours and market insights, ensuring top returns. Their expertise spans residential, commercial, and land properties, with 77 land listings showcasing their versatility.

The expansion reflects rising demand in Gwinnett, Walton, Barrow, and Hall Counties. The team's office, strategically located near I-85, features modern upgrades to enhance client experiences. With 1,447 Facebook followers, the team engages the community with market updates and events. Clients praise agents like Michelle Cook for seamless transactions.

"Our hybrid approach and growing team empower sellers to achieve their goals," said Coe Cameron. "We're thrilled to expand and continue serving North Georgia with integrity." The team uses platforms like PropStream to target high-equity and distressed properties, optimizing visibility through SEO and Google Business Profile.
