SERVICE AREA

Our Process & Why MHP

Clear pricing. Clear scope. Zero hassle.

02

Renovations are stressful. Budgets shift, timelines slip, and contractors go quiet. We built our process to fix that. One local team managing every sub, every permit, every detail.

Our 3-Phase Renovation Process

1

Estimate

We assess your home and deliver a detailed, fixed-price estimate with honest advice on what's worth doing.

2

Pre-Construction

We finalize materials, selections, and every detail before work begins. No surprises once construction starts.

3

Construction

Your project team from start to finish. Constant updates, progress photos, always a call away.

What Sets MHP Apart

Fixed-Price Estimates

Line-item pricing on every cost before we start. No allowances, no inflated markups.

Scope Locked Upfront

Materials, layout, and finishes finalized in Pre-Construction. No surprises once work begins.

Dedicated Local PM

One point of contact who knows your project, your home, and your family's schedule.

Vetted Local Crews

Local tradesmen who are experienced and accountable. Hands-on oversight on every project.

We Respect Your Home

You live here during this. We communicate constantly, keep the site clean, and minimize disruption.

Timeline Discipline

We build schedules we keep and communicate proactively. No disappearing acts.

"Excellent team and we are so happy we chose MaxHousePrice for our recent basement remodel! Beautiful and thorough job, great communication along the way, and they handled all the permit processes for us. Easy and stress-free."

"We decided it was time for a fresh look in our kitchen. During the design phase, we collaborated with Dave and Natasha, who proved to be not only easy to communicate with but also attentive to our requests. The finished kitchen surpasses our expectations, and we owe it all to MaxHousePrice!"

Johnny M. | [Google Review](#)

"Natasha and her crew of professionals are superb, diligent, and detail-focused craftsmen. They exceeded my expectations by a mile. My project was completed on-time and on-budget. Communication and expectations were clear. I will use their services again, and recommend them without reservation."

Gianni T. | [Google Review](#)

"I contracted with MaxHousePrice to remodel the basement of our home. They developed a good design for my space, sailed through the inspections, and finished it with top quality materials. The team was professional, highly skilled, and responsive to our needs. They are at the top of the list for my next project."

William C. | [Google Review](#)

"We can't thank MaxHousePrice enough for the remodel projects they completed on our home. MHP showed us the full potential of the space and then made it a reality! The entire kitchen was updated with new cabinets, quartz countertop, herringbone backsplash and appliances. We purchased our DC home in the 1970s and have fallen in love with it again!"
